

Tips for

Successful Test Taking

MAKE THE GRADES

Your Transition and Academic Coach

Mastering Test Taking is an Essential Skill

Preparing yourself physically, mentally and emotionally for tests is an important skill for every college student.

Are you Ready?

Taking tests in college and university will seem different than high school. There are great strategies to help you succeed.

These are the steps

#1

Do a knowledge dump before you begin. Write key reminders on the back of the test

#2

Flip through the entire test and do the easy questions first

#3

Mark up the test. Cross off wrong answers, circle key words

#4

Stay calm. Overcoming test anxiety can be learned. Remember to bring water

There are many test taking strategies that most college and university students don't know.

We can help you develop strategies to study to remember, prepare for different kinds of tests and help you make the grades.
